Here Is Allen H. Paull New Building

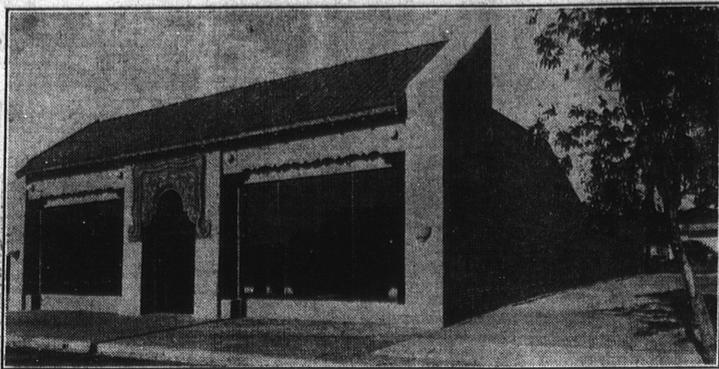

Photo by LaPlante

This attractive building will be dedicated Saturday night with a dance to which the public is invited.

With the added stimulus that has been provided by the introduction of the new low priced Standard six, retail deliveries by Dodge Brothers, Inc., for the week ending April 7, in this country and Canada, exceeded factory shipments by 67 units, according to John R. Lee, general sales manager of the company.

Retail sales of cars and trucks totaled 6,232 units which exceeds any week last year and sets a new high mark for 1928. Factory shipments were 6,165. It is significant that domestic dealer reports show an increase in sales of passenger cars of 52 per cent over the corresponding week in 1927. Last

week's retail deliveries were 18 per cent over those of the preceding week, and 32 per cent ahead of those for the same week last year.

"While the public acceptance of the new Standard Six line has met every expectation, as evidenced by the retail sale of approximately 3,000 of these cars in the first eight days upon the market, the heavy demand that is being made for all of our lines is exceptionally pleasing," said Mr. Lee.

"The Senior Six is rapidly finding its place in the higher class passenger car field, and judging from recent reports, it will un-

doubtedly be necessary to substantially increase our production schedule on this line. During the past week, retail sales of the Senior Six gained 37 per cent; over the preceding week while the Victory Six models which have been great favorites with the buying public since the day of their introduction again added a 23 per cent increase to their already many sales records.

"In addition a continued heavy demand holds up for our Graham Brothers trucks and commercial cars. We are exceedingly optimistic over sales prospects for the second quarter."

Clement Crouse to Open Studio

CLEMENT CROUSE

Clement Crouse, violinist, announces the opening of his studio at Torrance and will be glad to meet anyone interested in the study of violin.

Mr. Crouse has had very extensive training, both as a teacher and player. He has for a number of years been a pupil of Charles South and is now his assistant teacher. Mr. South will be remembered as the guest artist on the Torrance Choral Society program, February 3.

Clement Crouse received his earliest training from his father, who is well known as a violin-maker.

Mr. Crouse holds many honors and prizes in various musical activities and is also a former member of the Montana Symphony Orchestra. He is still engaged in study with Charles South.

School Week to Be Celebrated

Program of Interest Will Last for Hours on April 27

Next week is public school week and will be celebrated in the Torrance schools with continuous activity from 2 till 10 o'clock p. m., Friday, April 27.

The program begins with a May day pageant at 2 o'clock, held on the grass at the athletic field. The new bleachers have been completed and will furnish seating accommodations for the public.

In the pageant, the village maids come to the green escorting the May Queen, DeDe Barnard, followed by farmer boys and girls, sailors from the port, gypsies and Indians, all in costume. After the crowning of the queen, each group dances in the order named. The Maypole dance concludes the program, and in this more than 100 will take part.

This afternoon program will be very spectacular and a large crowd is expected to be present.

From 3:30 till 7:30 the entire school will be thrown open for inspection, and all departments will have displays of students' work. There will be plenty of guides on hand to take the visitors through the buildings and explain the purposes of the various departments.

Supper will be served in the cafeteria from 5 to 7:30 by members of the student body. Tickets are now being sold by the students. Adults will be charged 50c for tickets, while children under 12 may eat for 35c.

Between 7 and 8 an informal reception will be given parents and visitors in the gymnasium. Mrs. Helen Watson Pierce, assistant superintendent, teachers, and members of the Board of Education will be on hand to receive.

A program by the Elementary school children will be given at 7:30. They will present a playlet in 2 scenes entitled "The Secret of Happiness." The first scene is a winter scene, and the second one is laid in the springtime. Music will be furnished by the Junior chorus. There will be approximately 100 children on the program, either in speaking parts or dances. Mrs. Edna Russell is in charge.

At 8:15, following the Elementary school program will be the High school program. The main event of this is an address by Henry M. Shaffer, assistant superintendent of the Los Angeles city school system.

There will be music by the High school orchestra, and the Boys and Girls glee clubs will render a few selections. Another feature is the "Athenian Quartette," which is composed of high school students from Gardena.

Although Public School Week has no direct relation to the Masonic lodge, it is sometimes called Masonic School Week, for it was started and sponsored all over the country by the Masons.

Torrance Men Inspect Desert

See Highest and Lowest Part of United States in Day

At 5:30 Sunday morning, five Torrance men left for a day in the open. They were Gene DeBra, Walt Shumaker, George Worcester, Fred Tiffany and Howard Smith.

Via Oceanside and Pala, they drove to the Rincon Indian reservation, where they stopped to look things over. Then on to Henshaw Dam, and up the back side of Palomar mountain to the summit.

Here they stopped to "take in the view," and all of the men agree it was a most breath-taking sight. Palomar mountain is the highest point in San Diego County, and from the summit one may look down on 2 or 3 mountain lakes, and mountain ranges as far as the eye will carry.

Howard Smith was most enthused over the trip. "That is the country of Peter B. Kyne, and after seeing that wonderful country, there is little wonder that he found the inspiration to write that wonderful book 'The Pride of Palomar'."

One looks as straight down on the world as though looking out of an airplane.

Although this is 50 or 60 miles inland, the ocean may be seen from the summit, and with field glasses even the breakers are discernible. Catalina is also visible in the distance.

Then down the other side, driving over the famous "Nigger Nate" grade, which is a grade of 30% or more. Gene DeBra in his Flying Cloud Reo had no trouble, but it is often necessary to tie a log on the back of the car to drag and help hold it back. It is advisable not to make this trip unless the brakes are in excellent condition.

Part way down the grade, miles and miles from civilization, the party came to a beautiful monument, about 6 feet high. Investigation proved it to be a monument erected in honor of Nathan Harrison, who was brought to that country a slave in 1848, and died in 1926 at the age of 101. A copper plate on the monument bore the inscription "A man's a man for a' that."

As yet, Mr. DeBra and the others have been unable to learn the history of the monument, or why the steep grade was named for the negro.

A very interesting bit happened while they were coming down the mountain. They saw an American eagle which had caught a snake and was playing with it. It was flying with the snake in its claws, and when the snake would try a lunge at the head of the eagle, the eagle would admonish it with its beak.

The party arrived in Torrance at 9:30 Sunday night, tired, but with a feeling that the trip had been a success in every way.

The McNary Haugen farm relief bill was passed by the United States Senate by a vote of 53 to 23 and went to the House for approval. The measure carried all of the features which prompted President Coolidge to veto it last year. Whether it can be passed this year over his veto is questionable. However, last year the Senate passed it by a vote of 47 to 39, so the bill gained votes between balloting.

The American Society was meeting in London. Henry Ford was present with Mrs. Ford. A speech was expected. It was delivered. This was it:

"I just want to say that Mrs. Ford and myself are greatly honored tonight to be present to meet so many distinguished representatives of two great nations. I thank you." Henry Ford sat down, holder of the short-distance record for the briefest address ever delivered at an after-dinner talk-fest.

NOT GIFTED

WE got to feeling pretty CHESTY over the COMPLIMENTS on our "literary effusions" SO we went down to the TORRANCE Herald to see if HAROLD Kingsley wouldn't PAY us a little something for our weekly CONTRIBUTION to his paper and send us a CHECK the first of each MONTH instead of a BILL. The LESS said of the INTERVIEW the BETTER but we walked under a couple of CATS on the way back to the STORE where we were ATTACKED by a FEROCIOUS house fly and BARELY escaped with our LIFE. IT took us fully SIX and a HALF minutes to recover our SELF ESTEEM.

Moral: A shoemaker should stick to his last. If you want anything in the drug line see us, but get Harold to write your obituary. "GEORGE."
